

# DIRECTIONS BY BOAT

• Brewer Greenwich Bay marina is located on the northwestern shore of Greenwich Bay at Apponaug Cove green can #3 (see chart)

• On Saturday morning, as you approach the marina, contact the “Saltwater Anglers Dockmaster” on channel 65 for docking help.

• If many are calling in at the same time, please be patient.

• The marina has Docks A through F, and on each dock there is a north and south. For example, you may be told to go to Dock “D South”
