- YES, I will bring my boat for Thursday, June 29
 I would like to bring it the night before (Wednesday)
___ Number of kids I can take

Is there anything else you want us to know? _____

DETAILS

- There will be 50 children split into four groups, according to age and fishing experience.
- We need at least two adult members to lead/chaperone each group. More is better.
- **Tuesday: Shore Day.** Kids will receive instructions on shore in such things as fish ID, fishing laws, spin & conventional tackle, basic marine biology, basic fishing knots, lures & jigs, baits, using different lures - how/why they work, boating safety basics. They will also spend time learning to cast and fish from the shore at Rocky Point.
- **Wednesday: Party Boat Day.** All kids and chaperones will go by chartered bus to Galilee and board the fishing boat *Seven B's* for several hours of fishing.
- **Thursday: Member Boat Fishing Day.** All of the kids & RISAA volunteers will fish aboard 15-20 (hopefully) RISAA member boats out of Greenwich Bay Marina. They'll learn bottom fishing for scup, sea bass, etc. around Warwick Neck and trolling for bluefish in Greenwich Bay.
- Lunch will be provided for everyone each day
- Adult volunteers will receive a mileage stipend at the rate of 55 cents/mile from your home to Rocky Point, round trip.
- Can't attend all three days? We'll gladly accept help for ANY of the three day
