Committee

Lynn Medeiros, Chair

WE CAN USE SOME HELP!

It's that time of year again. Our annual Take-A-Kid Fishing Day sign-ups have started. I want to remind RISAA members that the Entertainment Committee is charged with feeding all of the participants that day, but we can't do it alone. We need men and women to help with the cooking, food prep, serving food, passing out chips, drinks, etc.

If you have a few hours to spare on the morning of Saturday, June 14, please sign up to help. (see page 7 for more info)

You will be proud that you helped with this event. Remember, RISAA IS YOUR CLUB. Let's all work together to make it a great day for the kids.

RED SOX SOLD OUT

As you can see below, the annual Trip To Fenway Park is again a sellout. I'm sure everyone who goes to the game will have a great time, as usual.

PIG ROAST

A couple of members have asked with the pig roast tickets will go on sale. Be advised that the committee decided to skip a year, so the next pig roast will take place in September, 2015.

The Rhode Island Saltwater Anglers Association
