Rules regarding free "guests" at monthly meetings

The RISAA Board of Directors has voted to extend the program for another year which allows RISAA members in good standing to bring a guest ONE TIME to the monthly seminars during 2014.

The purpose of this program is to expose non-members to our monthly seminars so they can see what our meetings are like. This has worked successfully over the past two years and many of those guests end up joining by the end of the night.

Unfortunately, it has been noted that several members have abused this program, bringing in the same "guests" month after month. Therefore, the guest rules will now be enforced.

SEMINAR "GUEST" RULES

- Any member in good standing can bring a guest into the meeting. The purpose of this is so that person can see what monthly meetings are like.

- The guest must accompany the member to the sign-in table.

- The guest will be required to sign in as well.

- A guest may only attend **ONE TIME at no charge**. Thereafter the person must **either join RISAA or pay the \$10 non-member fee**.

- A member may bring more than one guest during the year, but it must be a *different person each time*.

- **No one can be a "guest" more than one time.**

- This applies to non-member spouses as well.

The Sergeant-At-Arms and other board members will be positioned by the door at monthly meetings and will record the names of every guest, along with the name of the member sponsoring his/her visit, and check it against the list of guests who have already attended a meeting.
