MATTHEW BEAL

at only 8 years old, caught his fish of a lifetime, a 50 pound striper! He landed the fish on Saturday, August 12 at 12:50 AM

while drifting eels off Block Island. Although Matt is tough enough and strong enough to land the fish, he needed some adult help in lifting the 50 pound monster. He was fishing with his dad **David** (in photo with Matthew), aboard Captain Cody Trostel's boat. He decided not weigh the fish in for the Yearlong Tournament

CAPTAIN STEVE BABIGIAN

and his mate Andrew Ferindino (right) of Lady K Charters, poses with a mako caught on his boat during the Block Island Giant Shark Tournament last month.

The shark took 3rd place overall and 2nd Largest Mako in the 25-boat, 2 day event.

Charter guest Ms. Dara D'Ambra had the 261 lb mako to the boat in about 20 mins. It was among 2 makos and 2 blue sharks caught by the DeSimone Crew aboard the *Lady-K*.

©2015 St. Croix Rods

NOT YOUR AVERAGE SURF ROD.
OF COURSE, A ROCK HOPPER IS NOT YOUR AVERAGE ANGLER.

For more details on our SuperStar Service plan, visit us online.

Designed and built to outperform all other surf sticks, nothing casts and handles fish like a St. Croix® Legend® Surf rod. Starting with our premium SC^{IV} graphite blank incorporating our exclusive FRS, ART™ and IPC® technologies, these beauties set a completely new standard in high-performance surf rod design. The revolutionary, smaller profile Fuji® LC surf guides bring an aggressive new premise to the concept of casting efficiency. Super-sensitive and incredibly light weight – these surf rods are like no others. Check them out. Now.
