### HOW CAN YOU GET A CHANCE AT A TRIP?

Come to our monthly meetings and sign up at the Charter Trips Committee table at the back of the room. We will give you a form with that night's trips listed on it. The form will list the available trips, the boat and the captain, the type and location of the trip, and the time and date. Fill out the form listing your preferences, first, second, third, etc.

During the night's seminar we will draw the winners (and a list of alternates) and announce them at the end of the meeting.

If you are a winner, we will give you a list of your fellow trip members and more details of the trip.

We will also ask you for a \$50 deposit (check or credit card only - no cash) to ensure that each winner makes every effort to show up for the trip. If you go on the trip, we won't use your deposit.

**The only cost to you will be the customary tip to the captain and/or mate, usually 15% - 20% of what the trip would normally cost if you had chartered the trip privately.**
