

UPCOMING SEMINAR

Monday, August 26 at 7:00 PM

A Special Panel of Speakers

Everything you wanted to know about

Black Sea Bass

Expand your knowledge: basic biology, migration patterns, regulations, fishing locations, and more

featuring

Jason McNamee, Chief
RIDEM Division of Marine Fisheries

A marine biologist, Jason has been with RIDEM for 20 years, the past 4 as Chief of Marine Fisheries Resources. He will discuss the biology of black sea bass, how they change sex as they mature, the changing migration patterns, stock status, and difficulty in setting fishing regulations. He serves on the ASMFC Black Sea Bass Technical Committee.

Kraig Ruth
Chair, RISAA Kayak Committee

A RISAA Life Member, Kraig is chairman of our Kayak Committee. He fishes from both boat and kayak (mostly kayak) around Newport, Middletown and Portsmouth. But, he said, being on the RISAA Kayak Committee gets him fishing in other areas of the state.

Kayak fishing has grown in popularity so Kraig will discuss bottom fishing from a kayak and the gear and tackle he uses

Capt. Eric Thomas
Teezer Fishing Charters

Specializing in light tackle Eric fishes the waters off Newport, Sakonnet and Block Island. During his charter trips, he always spends time sharing his knowledge of fishing with his customers. He is an excellent and patient teacher, and will share his tips and methods of fishing for black sea bass along the Newport and Block Island coast.
